Sailing Through 2024 With More Products; More Brands; More Savings.

Everything you'll find in this brochure is manufacturer-supported through LNPG, so you'll be able to create beautiful, high-quality bathroom suites for less.

We've handpicked the best suites for your standard rental property, but if you wanted to add your own twist, everything can be customised on order.

More to Explore:

2024 is the year of building better bathroom suites.

To help you get started, we've included key items from some of our newest bathroom suppliers supporting the landlord market through LNPG.
